- Databases

ISSUED BY CERTIPOINT - 2024

● PHILIPPINE CHRISTIAN UNIVERSITY

Information and Communication Technology 2018-2020

- With High Honor (2020)
- With Honor (2019)

EXPERIENCE

● MOBILE DEVELOPER

DataDynamix Inc. 2023-2023

Completed an internship covering mobile app development, quality assurance, API integration, and research, gaining valuable hands-on experience with real-world processes. Frequently took on the role of a UI/UX designer, focusing on animations and interface features that were successfully integrated and utilized by the team.

● PROGRAMMER

Manila Teachers' Mutual Aid System, Inc. 2024-Present

Served as both a web developer and user support, collaborating with a team to develop web applications while providing real-time support to ensure seamless and accurate delivery of company services. Additionally, managed monthly data backups to maintain system integrity and continuity.
